Summary

I am in my 3rd year of pursuing my Bachelor's in Computer Science from GITAM University. So far, I have gained a solid foundation in data structures, algorithms, and software development methodologies.

I stay up-to-date with the latest technological trends, which are crucial in this rapidly evolving field. I continuously seek opportunities to enhance my skills.

I have a strong passion for technology and problem-solving, and my journey into computer science started with my fascination for computers and their incredible potential to transform lives.

My expertise extends to programming languages like Python, Java, and C.
